## **ATTENTION ALL BAIL PROGRAM CLIENTS**

Due to ongoing health concerns with COVID-19 and the closure of many Court offices, **the Bail Program offices will now be closed for all in person bail appointments as of today Monday March 16, 2020.**

For all clients who had a scheduled appointment after this date, you are now required to report in person, in 3 weeks from your scheduled reporting date. **Reporting requirements will resume on Monday April 6, 2020.**

*For example: If your bail appointment was Wednesday March 18, 2020, your new bail appointment will be Wednesday April 8, 2020 unless otherwise discussed already.*

Our Bail staff will still available by telephone for any questions or concerns.
