Dear Real Estate Representatives, Presidents and Library Staff,

Recording of Meeting with Director of Titles on September 24, 2020

FOLA hosted a Zoom meeting with the Director of Titles, Jeffrey Lem, last week regarding new procedures once the LROs are no longer accessible by the public. We were not able to accommodate everyone who wanted to attend, but we were able to record the meeting to be shared with the real estate bar in Ontario.

The meeting was approximately an hour long. You can access the link to the video on the FOLA website [here](#).

Please share this information with the real estate lawyers in your association.
