DU BARREAU DE L'ONTARIO

Please be advised that the Ministry of the Attorney General is hosting a Courthouse Recovery information session with Dr. Michelle Murti, from Public Health Ontario, and Ron Kelusky, Ontario's Chief Prevention Officer, on **Friday June 19, 2020 at 10 a.m.**

You and members of your associations are welcome to join this session using the following link: [Friday, June 19th from 10:00 - 11:00 a.m.](#)

FOLA understands and appreciates that you have an interest in the health and safety measures being implemented at courthouses. In fact, many of you have reached out to us to see if you or a representative of your local law association can attend some of your local planned inspections. Unfortunately, FOLA has been told that, due to capacity issues, they are unable to include additional representatives at this time.

That being said, once completed, local assessments will be made widely available and FOLA will be providing you with a final copy of their report.

If you have any questions, please contact: Samantha Poisson at Samantha.Poisson@ontario.ca
