Below are some updates from the Superior Court of Justice today:

- The process for submitting a document that is subject to a sealing order has been clarified in two Superior Court notices:
 - The [*Supplementary Notice to the Profession and Litigants in Civil and Family Matters Regarding the Caselines Pilot, E-Filing, and Fee Payment*](#)
 - The [*Consolidated Notice to the Profession, Litigants, Accused Persons, Public and the Media*](#)
- The [*Consolidated Notice to the Profession and Public Regarding the Small Claims Court*](#) now reminds parties that, after they file their hearing materials, they must also email them to the Court at least 3 days before the hearing. There are a few exceptions to this requirement.
