LAW ASSOCIATIONS

FÉDÉRATION DES ASSOCIATIONS
DU BARREAU DE L'ONTARIO

Based on recent medical information provided to Chief Justice Morawetz, the SCJ is amending the [Notice to Profession](#) in one respect: the 10 person per courtroom cap will be removed. The SCJ received confirmation that the cap is not necessary with the other protective mechanisms in place.

All other measures will remain in place for the time-being, including conducting only in-person proceedings that are absolutely necessary.
